

Arrival and Dismissal Information

All families will receive family number pick-up cards. Share a card with whoever is picking up your student. Pick-up vehicles might have more than one family number if they are carpooling.

If your student walks to school **independently**, you do not need to utilize a pick-up card. If an adult walks to school to pick up, the card is needed to check the student out at the Amistad gate (front of school) or Isibindi Gate (on Juliano Rd.)

ALWAYS CROSS THE STREET USING THE MARKED CROSSWALKS.
